TEAM TARGET SCORE GUIDELINES

This will be a 9-pin no tap scoring event. No handicap. On the first ball rolled, a score of 9 or 10 pins will be scored as a strike, otherwise normal 10-pin scoring will be in effect. Prior to the start of each game, individual bowlers will be asked to predict their TARGET SCORE (final score) for the game.

POINTS AWARD SYSTEM

Achieving the TARGET SCORE results in the award of 0 points!

Score under or over the TARGET SCORE will be awarded one (1) point per pin. Example: Two pins under the target score = 2 points, or four pins over target score = 4 points.

Combined six individual bowlers' points totals TEAM TARGET SCORE. LOWEST TOTAL WINS

Bowling will be conducted on your sponsored lane only.

Gutter balls in the 7th, 8th, 9th, or 10th frames: Bowlers will draw a number between one to ten and add to score. This is to discourage any sandbagging.
